

NEWSLETTER, November 2001

SPECIAL COMMITTEE MEETING

To manage several pressing items that cannot wait till our next meeting (the AGM on February, 21st, 2002) there will be a committee meeting on Monday evening, 10th December. Some of the items to be discussed are:

- The future of the Lutheran Cemetery Paddock (corner of Chatsworth & Penshurst Roads)
- Our response to the EIS on sand mining, if it has been released by then.
- The wind generator proposal for the Bridgewater area, west of Portland.

Members that wish to have input should either contact a committee member prior to the meeting, or turn up on the evening. We will meet at Dianne Luhrs' place starting at 6:30 pm (BYO dinner).

OUR CHRISTMAS PARTY — WED 12TH DECEMBER, AT WANNON FALLS

This is what you really wanted to hear about!

It will be at the Wannan Falls, meeting at the Cricket Oval at the top of the hill, from 6:00pm onwards on Wednesday, 12th December. BYO for a Bar-BQ. Later we will retire to the Grimes' at Morgiana for Christmas Pud & coffee. All welcome (including friends & relatives).

AGM — 21ST FEBRUARY 2002

Bring along ideas for next years speakers and excursions, and volunteers for the committee positions!

PAST EXCURSIONS

Last Sunday (18th) seven of us braved the wind and rain to inspect the native grasslands at Sally & Robin Jackson's place (Lake Repose) — followed by an inspection of their kitchen (warm) and then their garden (things were fining up). Later we went to Dunkeld and wandered around the base of Mount Sturgeon for a couple of hours before doing an inspection of Dave & Lyn's kitchen.
