

HAMILTON FIELD NATURALISTS CLUB

MEETINGS AND EXCURSIONS 1995

Meetings of the HFNC are held at H.I.R.L., 333 North Boundary Road, at **8 pm** on the third Thursday of each month, except March from February to November inclusive.

Special meetings are always advertised in the Hamilton Spectator on the preceding Saturday. The special meetings are entirely devoted to a guest speaker and conclude with supper at about 10.00 pm.

General meetings are usually held on alternate months and deal with conservation matters. Members may show a few slides or exhibits and talk informally about natural history.

Excursions are held on the Saturday or Sunday following either special or general meetings.
