Christmas breakup from 4.30 pm on Sunday 15 December – Wendy & Peter McDonald, Yulecart, will be our hosts. For those interested, after 4 30 pm they will show members around the farm, tree plantings and Grange burn frontage. Also the home garden and dam. The picnic meal will follow. The event will end around dusk.

Please note: No dogs allowed.

BYO Christmas Picnic tea, drinks, chairs and insect repellent (flies are very friendly now, particularly if its humid).

Report on Work activity at Wannan Flora Reserve on Sunday 10 Nov – Rhett Beattie and children Emily & Angus helped me in the morning to remove seedlings from the edge of the reserve. After lunch Diane and I removed seedlings and some large shrubs from the south-central area.

Report on the excursion to Giant Rock Scenic Reserve on Saturday 23 Nov – 10 members and 5 visitors had an enjoyable morning at this site, last visited in Dec. 2000 – see attached PDF

Report on Bear Fauna Nest Box inspection on Saturday 30 Nov – we had 5 members plus Rhett Beattie, Emily & Angus on a mild but slightly wet morning at Bear SF – see attached draft PDF
